

Making it easier to pay for college

Take advantage of two services designed to ease the burden of paying for higher education. These programs are available to you and your covered dependents at no cost, regardless of whether you have an Independence Blue Cross health plan.

The College Tuition Benefit (CTB)¹

Saving for college can be a big challenge for families. CTB reduces financial stress by providing an effective way to help send a child or loved one to college.

CTB works like a scholarship. You can earn SAGE Scholars Tuition Rewards[®] Points that will be spread evenly over four years of undergraduate education.

Tuition Rewards Points can be used at more than 400 participating SAGE Scholars colleges and universities nationwide. There is no limit on the number of students you can sponsor or the number of Points you can accrue.

- You can sponsor immediate or extended family, including children, grandchildren, nieces, nephews, stepchildren, and godchildren.²
- One Tuition Rewards Point is equal to a \$1 guaranteed minimum discount off the full price of tuition.
- You earn 2,000 Points when you sign up, and students receive 500 Points when they are registered. You will earn an additional 2,500 in year four.³
- The longer you are with your employer, the more Points you can accrue.
